

Dear Glencoe Community,

Today officially marks the end of Quarter 1. Tomorrow and Friday teachers have work days without students to work on grading and entering grades on report cards. The Quarter 1 report card will only have grades to show students' progress. The comments section will be empty, and you can expect to hear details about your student's growth during our family/teacher conferences in November. Teachers will send out calendar invites on Thursday, October 30. Please take this opportunity to sign up for a 20-minute conference (grades K, 1, 2, 3) or a 15-minute conference (grades 4 and 5). Both in-person and virtual options will be given. ***Please respect that teachers will accommodate one conference slot per student.***

Next week we have our November Wednesday Morning Meeting and Fall Festival on Thursday evening! The weather also looks like it will take a turn for the worse. Please remember that we have lunch recess outside rain or shine, so help us make sure students are prepared for the fall weather.

I hope you all have a nice extended weekend, and I look forward to seeing you all on Monday!

Warmly,  
Katie

### **Report Cards - Important Information**

Quarter 1 report cards are set to be visible to families on ParentVue after school on Friday, November 7. ***If you would like to receive a paper copy of your student's report card, please log into your ParentVue account and update your preference under "My Account". You will need to uncheck the box that asks if you want to go paperless. Both parents need to uncheck the box for paperless in order to receive paper report cards.*** Please note that mailed report cards will arrive home the week of November 10. For more information on how to interpret our standards-based report cards implemented last year, please visit our family guide [website](#).

### **Scheduling Family-Teacher Conferences**

Conferences will be held Monday, November 24 and Tuesday, November 25 with both virtual and in-person options. ***If you are unable to attend a conference on one of those days, please connect with your child's teacher, and they will let you know how they will share that information with you.***

A link to sign up for a family-teacher conference will be sent by your child's teacher on Thursday, October 30. If you would like to connect with a specialist about core enrichment classes, you can email them to schedule a time to meet. ***Teachers of grades K-3 will accommodate one 20-minute conference slot per student. Fourth and fifth grade teachers will be able to accommodate one 15-minute conference slot per student due to the larger class sizes and increased teacher workload.***
