

Dear Glencoe Community,

It's hard to believe there is only one week until Winter Break. December always seems to fly by more quickly than January. This rainy weather has thrown us for a loop, and the kids have done a great job of staying in good spirits. We do recess outside rain or shine, so please help your student remember to bring or wear clothing that is good for these wet days. If you're missing anything, please stop by our lost and found next time you're at school. We have lots of items that could be put to good use this winter.

We have some fun and exciting things happening the last week before break! Students have been working hard at earning an all-school reward of "sit where you want at lunch day," and are hoping to have enough Gull Tickets in the Gull Gallery by next Friday. It will also be pajama day on Friday, December 19, as well as our second "Glencoe Values Day" of the year - Collaboration Station. Classes will participate in fun activities where they work together at collaborative games and activities throughout the day. A BIG thanks to Ms. Gardner for planning these days where we celebrate and live out our shared community values of inclusivity, caring, collaborating and persevering.

Please don't forget that our Glencoe food pantry is still stocked and available for anyone who needs it. You can stop by the office, or contact them or Sara Gardner to make an appointment to come and shop.

I wish you and your family a nice, dry weekend. I look forward to seeing you all on the last "school" Monday of 2025.

Warmly,
Katie
