

Dear PIL Families,

We are excited to kick off the Spring Sports, with games, matches, and meets starting up. Below are a few reminders for our spectators for this upcoming season.

Spectator Conduct: It is of the utmost importance that we conduct ourselves with the highest level of Sportsmanship towards visiting schools, athletes, fans, and officials. The PIL is seeking to provide the best experience possible for everyone that attends our Athletic Contests. What makes these events fun and enriching is when all of us do our part regardless of the outcome. Should any concerns arise, please seek out event workers, administration, or security personnel to help resolve any concerns. We appreciate your support in advance when attending Athletic Events. **We cheer for our athletes, support our coaches, stay off the officials, and respect our opponent. Anyone not able to follow these guidelines may be asked to leave the facility.** [OSAA Policy](#)
