

# Marysville Message

September 19, 2025

## Dear Marysville Families,

Happy last Friday of the summer! It was a beautiful one. I love that it is beginning to feel like Fall, at least in the mornings.

Thank you to everyone that was able to attend our Back to School Night. It really begins to feel like community when we are all together. I appreciated all of the staff and community partners that shared information. A special thank you to the Marysville Family Club for the treats and fundraising to support our school.

The only big fundraiser that we do at Marysville is starting next week. We do a Fun Run every year to raise money for Field Trips, assemblies and school supplies for enrichment activities. This year the Fun Run is scheduled for Thursday October 9th. Look for Running Pledge Sheets and more information coming home soon.

We also had our first field trip of the year. 3rd grade students visited the Hoyt Arboretum. Thank you to the parent volunteers for supporting this and the students for representing Marysville School so well in the community.

One more reminder to check the Lost and Found frequently. The changing weather means many jackets needed in the mornings are left on the playground in the afternoon!

## Latine Heritage Month

Each year, Americans observe Latine Heritage Month from September 15 to October 15, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua.

At Marysville we learn about all of the monthly Heritage Celebrations and the Latine Heritage Month lesson is one of our first weekly equity lessons. You may have seen some of the beautiful papel picado decorations students made at Back to School Night.

We will have a Latine Heritage Month Assembly at the end of the month on Wednesday October 15th.

## Important Reminders

Please download the Parent Square App. That way messages will go directly to your phone and you can have more control over how and when you receive the messages from Marysville and the PPS district. This is also the best quick communication tool with your classroom teacher.

You can also choose automatic translations for your messages.

Please let us know if you need any help in setting up the app or your account
