Public Wireless will offer free Lenovo tablets with internet access for student households in our CEP schools. These devices are for families to own and use as their personal devices. The devices are not replacing the District's 1:1 chromebook program. These tablets are for their personal use at home. Public Wireless will provide all support and replacement if needed.

There is an online registration form or a QRcode to scan to register. The deadline for parents to register is March 17th.
