## PARENT AND STUDENT HANDBOOK & CALENDAR

## 2010-11

August 2010

Greetings!!

It is with great pleasure that I welcome you to the new 2010-2011 school year!! It is amazing to me how fast summer flies by and before we know it, we return for another year of teaching, learning, and sharing. I hope that each of you had a restful summer, and are reenergized for the school year ahead.

Hayhurst School has many strong programs, and the constant growth in test scores is a reflection of your hard work and dedication. This is work that demands all of our instructional talents, continuous modification and adjustment, and an increasing ability to analyze, diagnose, challenge, support and remediate. Our determination to ensure that all of our children will receive the precise instruction that they need to achieve. All students can be successful and your talents encourage this growth and development.

This handbook provides you with information that you will need for the opening of school, as well as, the expectations held by Hayhurst School, Wilson Cluster, and Portland Public School District. I encourage you to read and review the information as you prepare for the school year. The calendar is as complete as possible for this time; as always, circumstances may cause some dates to change or be added. I will communicate these as needed.

I am looking forward to a year of growth, achievement, professional satisfaction, and fun as we work together.

Cheers to a new year!

Deanne Froehlich

## **ELIZABETH EVANS HAYHURST**

Born in Wales in 1876, Elizabeth Evans came to America in her early childhood and settled with her family in Clackamas County. Educated in Oregon, she became a teacher and married fellow teacher Charles Wesley Hayhurst in 1902. Elizabeth Hayhurst began a 20-year career of Parent Teacher Association leadership following election as PTA president at South Mt. Tabor School. Her first item of business: studying Robert's Rules of Order.

Hayhurst surrounded herself with competent women who shared her goals and were motivated by her enthusiasm and leadership. In her travels as a representative of the Oregon Congress of Mothers and Parent Teacher Associations (later shortened to PTA), Hayhurst was a careful observer of other programs and organizations and adapted for Portland's children elements of those programs that served their needs.

In 1915, Hayhurst organized Oregon PTA's first Women's Legislative Council which lobbied for measures affecting women and children. She guided the PTA in relief efforts for families who were hurt by a lumber industry depression in 1914-15, worked for improved school design, better textbooks and kindergartens. She promoted PTA activities by securing a section of the Oregon Journal newspaper for news of value to mothers and children.

Elected state PTA president in 1919, Hayhurst traveled throughout Oregon promoting education. She was re-elected each year until she declined the position in 1926, becoming honorary president at that time.

In addition to her work with Portland Public Schools, Hayhurst served on the state wage and hour commission under Governors Julius L. Meier, Charles A. Sprague and Earl Snell. She was a member of the legislative interim committee for the study of child problems and taught extension classes for the University of Oregon. Hayhurst died in 1947.

Hayhurst Elementary School, dedicated in 1955, was named for this hardworking advocate of children's education.

## **HAYHURST SCHOOL VISION STATEMENT**

All Hayhurst School students are contributing members of a connected school community while working at their full learning potential.

## **HAYHURST SCHOOL CORE VALUES**

We have one community with two entities, the Hayhurst Neighborhood School and the Odyssey Program at Hayhurst. We state the following Core Values:

- We foster a culture of mutual trust, respect, and wellness within a safe learning environment.
- We implement instruction that is meaningful, purposeful, relevant, and research-based.
- We maintain high expectations for every person in our school community.
- We encourage family and community involvement.
- We utilize meaningful assessment to drive instruction.

## **HAYHURST SCHOOL MISSION STATEMENT**

Hayhurst School is a cooperative, diverse, respectful and caring community that is committed to meaningful learning for every student. We recognize the unique talents, gifts and diverse learning styles of every student. Staff, parents and community members work together to challenge students and encourage their sense of responsibility. Our goal is to help students meet their full potential in a safe environment.

## **DAILY SCHEDULE**

7:55 a.m. Warning Bell  
8:00 a.m. Tardy Bell  
2:15 p.m. Dismissal Bell

Students should not be dropped off before 7:40 AM since there is no supervision for them at that time. If you find it necessary to drop your child off before 7:40 AM on a daily basis, you may want to check into the before school child care program available at Hayhurst School.

## **GRADING PERIODS**

2nd Trimester. . . . . December 6, 2010-March 17, 2011  
3rd Trimester. . . . . March 28, 2011-June 14, 2011

## **OPENING DAY PACKET**

On the first day of school parents receive a packet of information. The contents of this packet are important and should be carefully reviewed. Be sure to return the necessary forms as soon as possible. One of the forms is a registration form. If you have received a blank form, complete all requested information and be sure to answer all questions. Under parent/guardian work phone, be sure to indicate the telephone number(s). This is important in the event that you must be reached during the day. It is also essential to list two emergency telephone numbers. Please do not list your family physician/clinic as an emergency contact. An emergency contact should be someone who is able to come to school for your child in the event he/she is ill or hurt. It is imperative parent/guardian sign the registration form.

**PLEASE KEEP THE OFFICE INFORMED OF ANY CHANGES ON THE REGISTRATION FORM.**

Let the office know in writing whenever you authorize someone to pick up your child other than those listed on the registration form.

## **CLASSROOM VISITS**

Parents are welcome as school visitors. If possible, contact your child's teacher the day before your planned visit to make the necessary arrangements. Visitors must sign in at the school office and wear a visitor's badge to ensure the safety and security of our students. We ask that young children not accompany visitors in the classroom. Please remember the teacher will be teaching during your visit. If you have questions or would like to conference about your child, please make an appointment at the office for a later time.

## **STUDENT VISITORS**

From time to time, families have children, either their own or visitors from out of town, who want to visit Hayhurst during the school day. This creates a hardship for teachers who already have full classrooms. We therefore do not allow any student visitors during instructional day.

## **CALLING THE SCHOOL**

The number for the school office is 503-916-6300. Calling classrooms during class time is disruptive to teaching. If you need to contact a teacher or a student during the school day please leave a message on the teacher's voice mail.

The Hayhurst School FAX number is 503-916-2633. The FAX machine is on 24 hours a day.

## **VOLUNTEERS**

Volunteering at Hayhurst School is a way for parents, guardians, grandparents, and community members to show students how much they value education. There are many different ways to get involved including: evening events; take home projects; classroom activities; and field trips. The list of opportunities keeps growing. Volunteering can be done on a schedule to meet your needs. We do ask that young children not accompany volunteers in the classrooms or on field trips. If you are interested, please fill out the PTA form in the opening day packet. When volunteering, always sign in at the office and obtain a volunteer badge to wear while you are in the building. When you volunteer everyone wins..... the students, the teachers, and you!

## **SCHOOL BEHAVIOR**

Research indicates there is a strong correlation between student achievement and a safe and orderly environment. School-wide guidelines and expectations provide an important base for students to develop an understanding and internalize that all behaviors have consequences. This enables students to know where they stand and help create both a sense of freedom and security. The goal of the Hayhurst Discipline Plan is to make our school a safe and secure place for both students and staff to ensure learning occurs. Students are instructed in the rules for all Portland Public School students as outlined in the PPS Students Rights and Responsibilities handbook. The PPS Student Rights and Responsibilities handbook will be the guide for disciplinary actions.

## **HAYHURST RULES**

- Be Safe
- Be Responsible
- Be Respectful

## HAYHURST EXPECTATIONS

- Be courteous to others.
- Respect others' rights to learn, property of others, and the property rights of the school.
- Attend school regularly, on time, with appropriate materials, and be ready to learn.
- Leave all toys and non-instructional items at home.
- Keep Hayhurst a safe place.
- Cooperate with all staff.
- Become responsible school citizens.
- School rules and consequences apply to students as they come to school and return home.

## SCHOOL BUS INFORMATION

For the safety of everyone, students are expected to exhibit good conduct at all times, including at the bus stop, loading, unloading and on the bus. When inappropriate behavior occurs, the bus drivers try first to talk to the students and give warnings. When that fails, they write official bus referrals. Behavior which distracts the driver or otherwise endangers the riders can lead to being denied the use of the bus. If the bus does not arrive at the bus stop when scheduled or if you have other problems concerning buses, please call the Student Transportation Department at 503-916-6901.

### Rules Governing Pupils Riding School Buses

1. Pupils being transported are under authority of the bus driver.
2. Fighting, wrestling, or boisterous activity is prohibited on the bus.
3. Pupils shall use the emergency door only in case of emergency.
4. Pupils shall be on time for the bus both morning and evening.
5. Pupils shall not bring animals, except approved assistance guide animals, firearms, weapons, or other potentially hazardous material on the bus.
6. Pupils shall remain seated while the bus is in motion.
7. Pupils may be assigned seats by the bus driver.
8. When necessary to cross the road, pupils shall cross in front of the bus or as instructed by the bus driver.
9. Pupils shall not extend their hands, arms or heads through bus windows.
10. Pupils shall have written permission to leave the bus other than at home or school.
11. Pupils shall converse in normal tones; loud or vulgar language is prohibited.
12. Pupils shall not open or close windows without permission of the bus driver.
13. Pupils shall keep the bus clean and refrain from damaging it.
14. Pupils shall be courteous to the driver, to fellow pupils and passersby.
15. Pupils who refuse to obey promptly the directions of the driver or refuse to obey regulations may forfeit their privilege to ride on the buses.
16. Rules Governing Pupils Riding School Buses must be kept posted in a conspicuous place in all school buses.

### Walkers

We encourage you to teach your children safe walking routes as well as the importance of walking directly home after school and not talking to strangers.

## **STUDENT DRESS EXPECTATIONS**

Portland Public School policies state that appropriate dress contributes to a positive learning environment. The responsibility for the dress and grooming of a student rests primarily with the student and his or her parents. Students may be directed to change dress or grooming if it interferes with the learning process or school climate or threatens the health or safety to the student or others. The District prohibits clothing or displays that are sexually suggestive, alcohol-, tobacco-, or drug-related, vulgar or insulting, demeaning to a particular person or group, or indicative of gang membership.

## **HOMEWORK**

Homework is assigned to our students to reinforce, provide practice, or extend skills taught in the classroom. Completing homework assignments develops good work habits and encourages students to be responsible. Students are expected to complete and turn all homework assignments in on time. Homework assignments can serve as a link between parent, child, and teacher. If you have any questions about homework feel free to call your child's teacher.

## **MAKE-UP WORK**

Teachers have the obligation and responsibility to assist students when they need missed work assignments. However, it is not reasonable to expect teachers to take time from their direct instruction of students during regular school hours to prepare missed work assignments. To help avoid this situation, we ask that for brief absences students have the responsibility to request make-up work on their return. For extended absences, parents should contact the school and request work and materials a day in advance. This will allow the teacher time to prepare what is needed.

## **LOST AND FOUND**

If everyone would put their child's name on the inside labels of their clothing and on lunch boxes, you would save a lot of money each year. You would be amazed at what is in our lost and found and never claimed. The lost and found is kept on the clothes rack in the main hall.

Small items such as jewelry, coin purses and money are kept in the office.

## **SCHOOL NURSE**

Health services are provided by a licensed registered nurse from Multnomah Education Service District one day per week. If your child has an immediate, short-term, or chronic health condition, the nurse will work with you, your child, your child's physician, and school personnel to assure that his/her health needs are met while at school. The nurse can also provide information regarding health care resources in the community.

## **WITHDRAWAL**

Please let the office know a day or two in advance should you plan on withdrawing your child from Hayhurst School. This will allow the office time to complete the necessary forms. Contact the office with a note or phone call.

## **ACCIDENTS**

Occasionally a child may injure himself/herself at school while not being directly observed by a teacher. If and when this happens, he/she must inform the teacher of the incident. This is not only an insurance requirement, but is essential in our efforts to provide adequate care for him/her. It is a school policy to contact the child's parents and advise them of the matter.

## ATTENDANCE AND TARDINESS: ON TIME – EVERY DAY

Chronic tardiness or multiple absences can present problems for the classroom. Students coming in late to the classroom can disrupt the classroom and interrupt instruction. Students who have multiple absences often require additional support from the teacher to “catch up,” can impede team progress, and struggle to keep up with other students.

We ask that parents and guardians make every effort to get their children to school on time, every day. We understand that students get sick, or need to visit the dentist, doctor or optometrist on occasion. In fact, we ask that parents and guardians keep students home if they have a fever, runny nose, persistent cough or other symptoms. We are happy to consider illness and appointments as excused absences.

If your child needs to be out of school, we ask that inform the school of the absence or tardiness in one of two ways. You can send a note with the student when he or she returns to school or you can call the office at 503-916-6300.

Class begins at 8:00 AM. Students are expected to be in class and ready to work at that time. Students, who arrive at school late, either with or without a parent, are expected to pick up a tardy slip in the office before going to class.

## SCHOOL MEALS

Free and reduced lunch forms are sent home during the summer months. If a family’s financial circumstance changes during the school year the forms may be filled out or changed at any time. Please contact the office and we will be happy to assist you in contacting the appropriate district department.

Each student in the school will receive a bar coded card which is scanned each time a meal is purchased. All cards, whether for paid or free lunches look the same. Parents may pay as much as they wish into the student’s account on a weekly or monthly basis. If there is no money in the account the account may be debited one time and must be paid on the following day. Students who have no lunch money are never expected to go without lunch.

All K-5 students will eat breakfast in the cafeteria. Breakfast service begins at 7:45 AM. Students eating breakfast will not be considered tardy.

### Breakfast Prices – NO CHANGE

K-5	\$1.00
6-8	\$1.00
9-12	\$1.25
Reduced Price	\$ .30
Adult	\$1.75

Milk Price - \$ .50

### Lunch Prices

K-5	\$2.30
6-8	\$2.55
9-12	\$2.80
Reduced Price	\$ .40
Adult	\$3.85

## **FIELD TRIPS**

Written permission slips for field trips are sent home prior to the trip. The children will be asked to help pay for any trips they may be taking. No child will be denied a field trip experience due to lack of funds. The field trip permission slips need to be signed and returned before the trip. Parents are often needed to help with field trips. The teachers will request parent helpers when needed.

## **GIFTS TO STAFF**

Gifts to school staff given on a repeated basis are not acceptable. A small gift of no more than \$50.00 in value on a rare occasion may be acceptable. Parents or students wishing to donate a gift should consider one for the benefit of the entire school rather than just the classroom(s) in which the student attends, such as a library book.

## **DONATIONS**

Donations made to an individual school or to individual classrooms by persons or groups such as the PTA become the property of Portland Public School District.

## **LICE INFORMATION FOR 2010/2011**

Peninsula K-8 School adheres to the Portland Public Schools district-wide head lice policies stated below:

- Students found with nits remain at school.
- Students with live lice are sent home at the time discovered.
- Students with lice and/or nits receive treatment information.
- Whole school and/or classroom screenings are not done.

The PPS lice policy reflects recommendations from national experts such as Centers for Disease Control (CDC) and the American Academy of Pediatrics (AAP). Current research describes that classroom or school-wide screenings and parent notifications about known cases of lice are not good use of resources – academic and staff time. Neither activity diminishes the incidence of lice and can give parents a false sense of security if they are not receiving notification.

Again, in accordance with PPS policy, there are no classroom screenings that take place. It is not to the discretion of the schools to create a unique policy and practice. Rather, all schools must comply with the PPS policy.

## **ELECTRONIC DEVICES, CELL PHONES AND TOYS**

Problems can, and often do, occur when students bring toys and electronic devices to school. Many items end up getting lost, stolen or broken. We ask that parents be thoughtful about what they let their children bring to school. Expensive and irreplaceable items should remain at home.

Students in kindergarten through third grade should not bring toys to school unless they are bringing them for a teacher directed sharing time. Older students may bring items to school with the understanding that they are responsible for the safe keeping of those items. School staff will not be responsible for taking care of lost or broken items. Items that become a problem (being used during class time, being fought over, etc.) will be held by the teacher until the end of the day and the student will not be allowed to bring the item back to school.

Video games and other electronic devices are often a distraction to the educational environment and are subject to confiscation. Electronic equipment confiscated from students will be held for parents/guardians to pick up. Staff time will not be spent investigating the loss or theft of, or damage to, the above type of items.

Students in grades 6 to 8 may use personal music players (CD players, iPods) before or after school. These items will be confiscated if used during the school day. They must be stored in backpacks during school hours. The school is not responsible for such items if they are lost or stolen.

Cell phones may not be used during the school day. Phones must be turned off and stored in backpacks during school hours.

## **SMART PROGRAM**

SMART, an acronym for “Start Making A Reader Today,” is a book and reading program that pairs volunteers with students in kindergarten, first, second, and third grades to help create enthusiastic readers. This is a statewide program that is supported by the Oregon Children’s Foundation, which was founded in 1991 by the law firm of Ater Wynne Hewitt Dodson & Skerritt. The mission of the foundation is to enhance the reading skills, attitudes and life prospects of children who need assistance, and to enable adult volunteers and communities to experience the rewards of enriching young lives. Businesses, organizations, and local residents provide the volunteers needed to run the program. If you are interested in volunteering please call our on-site coordinator at 503-916-6300.

## Health Screenings

Oregon Law says that vision and hearing screenings shall be done to help find children's health problems. The nurse oversees these screenings. The usual screening schedule is:

**Dental:** Grades Pre-Kindergarten, Kindergarten, 1, 3, 5, and 7

**Hearing:** Grades Pre-Kindergarten, Kindergarten, and 1

**Vision:** Grades Pre-Kindergarten, Kindergarten, 1, 3, 5, and 7

If you do not want your child included in these screenings you must submit a written request to the school each school year. Screening results for dental, hearing and vision are all sent home to parents.
