Current enrollment profile: A small K-5 school, recently converted from K-8 and assigned to Kellogg MS and host to a Special Ed focus classroom. The Arleta attendance area is adjacent to other small K-5 schools, including Bridger, Creston and Woodmere.

Recommendation highlights: Four small areas would move from Arleta to Creston, Marysville, Woodstock and Woodmere, and two areas would move into Arleta from Bridger and Marysville. See map for details. The changes are expected to bring a slight increase to Arleta enrollment with little change in school demographics. Arleta remains assigned to Kellogg MS.

Estimated results of recommendation:
