All-School News

The month of November is shaping up to be a busy month with a lot of things happening!

November is Native American Heritage Month, a time to honor the rich cultures, histories, and diverse stories of Indigenous peoples. At Chief Joseph Elementary school we will be celebrating their resilience, traditions, and vital contributions to our nation while acknowledging the challenges they face and reaffirming our commitment to respecting tribal sovereignty.

Ask your child about the bulletin board outside of the cafeteria that showcases Native American Heritage. It will highlight Native American students in our community and historical influential figures. Our school also integrates honoring Native American Heritage into our classrooms and it will be the focus of our school-wide assembly next week.

Six-year-old Ruby Bridges stepped into the history books on November 14, 1960, when she became one of the first students to integrate William Frantz Elementary School in New Orleans, becoming a national icon for the civil rights movement. Today her story continues to inspire the next generation of leaders to end racism together one step at a time. Ruby Bridges Walk to School Day (RBWTSD) is the perfect opportunity to teach children about the civil rights movement and make connections to today's collective efforts for change. RBWTSD gives children the opportunity to celebrate Ruby's courage by walking to school. We are still finalizing the meeting location and time, more information will be sent out next week via Remind.

Report Cards

Your student's report card is now available online through [ParentVue](#). In addition, this week we are sending home benchmarking data that took place in September. We want you to have time to review the data along with your students' report cards before conferences. You will get a chance to review both the benchmark reports and the report cards with your student's teacher during fall conferences which will take place on November 25th and 26th. If you haven't already booked your conference time, please reach out to your student's homeroom teacher to schedule an in-person or virtual conference.

If you do not have ParentVUE set up, or need assistance with access or a password reset please email [Ashley](#) or call the front office (503) 916-6255 and we can assist with getting you access. If you would like a printed copy of your students report card please contact [Ashley](#) in the office.

More information on the PPS report card: [PPS guide for K-5 Report Card](#).

Successful Schools Survey

It's the time you've all been waiting for....The Successful School Survey begins November 1st! For more information and information on completing the survey please click [here](#).

Picture Retakes:

If your student missed picture day, or needs a new picture plan on having them photo ready on Friday this week! We will have volunteers come to each class to escort any students that need their picture taken. Families can order their students picture packages online through [Dorian](#). In the spring, all students will get a class composite picture free of charge.

Cold-Weather Wear

Our teachers work hard to get students outside even if it is raining or a little chilly. As the season changes, we ask that you ensure your child brings a coat to school each day. Please remember to label your child's coat with their name to help us reduce lost and found items. If your student is in need of a coat, please reach out to [Michelle](#) or [Ashley](#) and we'd be happy to get them one.

After School Plans

As a reminder, If your students regular after school plan changes, please:

- Communicate changes with their teacher the day before the change if possible.
- Let the front office know when:
 - It is a change for the same day, and the teacher might not get a message in time
 - It is a long term, and regular change
 - If it will change their bus riding schedule
- If your student attends the neighborhood house after school program and you plan to pick them up right after school please consider picking up your student from staff with neighborhood house at the cafeteria doors. This helps neighborhood house manage the changes and account for students with alternate plans.

We work to try and make the end of day release go as smoothly as possible so knowing plans ahead of time is extremely helpful!

Library

Our annual [Scholastic Book Fair](#) is coming December 9-13, 2024! Last year we made just over \$7,000 from the book fair, which earned us \$3,000 in books and materials for our school library! This year our goal is \$8,000 which would give the library \$4,000 to use towards books and materials. My goal this year is to add books and materials to the Library with accessible reading levels while offering high-interest content that will keep students engaged and motivated to read! In order to achieve this goal, we are in

need of many volunteers to help the book fair run smoothly; if you would like to volunteer to help Mrs. Hall run the book fair, please sign up [here](#).

Book Fair Hours:

Monday-Friday Before School 7:30-7:55am

Monday-Friday After School 2:30pm-4:00pm

Friday, 12/13/24 7:30-7:55am and 2:30pm-4:00pm and 6:00pm - 7:30pm during the PTO's Family Dance Night

Scholastic has added its version of a gift card as an option for parents; it's called E-Wallet! In addition, if you would like to help purchase books for students who are not able to purchase, you may purchase an E-Wallet for Mrs. Hall or donate at the Book Fair Registers when you check out. You can learn more about E-Wallets in this [video](#).

****Please know that there will be no book returns or checking out new books during Book Fair Week.****

Information about Immunization records:

Hello Chief Joseph families! During the ParentVue yearly verification they request that you bring in hard copies of your child's immunization records. However, unless you have received a letter from MESD's immunization department or have received a phone call from me, the Health Assistant, this is an unnecessary step. You can click that you will do it during the verification process and disregard.

Thank You!

Our student health assistant [Zoe Eberspecher](#) works from 8:30 to 2:30pm. If you have any student health questions or needs please don't hesitate to reach out. You can reach Zoe by phone by calling the main office, or by email zeberspec@mesd.k12.or.us

OBOB

OBOB (Oregon Battle of the Books) is getting closer!

This week student permission slips go home with all 3rd-5th graders. Students who want to participate will create a team of 4-5 students and a coach (parent, guardian or other adult). Forms are due on **Friday, December 6!** It's not too early or too late to start reading the books, all of which are in the Chief Joseph school library.

<https://www.oregonbattleofthebooks.org/2024-2025-titles/>

OBOB is a voluntary competition where teams across the state read the same books and then compete in battles to see who knows the books best. It's open to 3rd, 4th and 5th graders.

If you have questions, reach out to Eve, this year's coordinator: evebernfeld@gmail.com (subject: OBOB).

Playground Project

The Playground Committee, as a group of parent volunteers, works to support and enhance the vitality of the school grounds in a variety of ways.

- Last month, it sponsored a fall planting party to give much needed attention to the 13 year old native garden under the Chief Joseph mural and honor the significance of both to the Native American community (see photos below). Big thanks to Melissa Adams and Juliet McGraw for leading and providing supplies for the event!
- The design process for a stormwater retrofit project in the NE quadrant of the blacktop is currently underway! Stakeholder input will be sought later this year once initial concepts are released.
- Early planning conversations with NoPo Soccer Club around the installation of a (hopefully near) future sports field are also happening. To support and learn more about the Fields Project, please consider attending their [Kickstart the Future Launch Party](#) this Thursday, Nov. 14th.

If you have any questions or want to get involved in the Playground Project, email chiefjosephplayground@gmail.com.
