Subject: Snow Stop Location Survey form. Alternative Pickup and Drop-off Locations.

AM School Site: _____, AM Route #: _____, PM Route #: _____,
Current Pickup Location: _____,
2018SY Alternate Snow Stop Location (if one was necessary): **NONE ON RECORD FOR 2019**

We need your input on this important decision about designating an alternative snow stop location when the District declares Snow Routes are needed. Some driveways or streets may be too steep or hazardous to navigate a small yellow bus or van during inclement weather. You and your Driver can work together to determine if you need an alternative spot no more than a few blocks away that may be more appropriate. **Please complete this form by 10/23/19** by returning it to your Driver or mailing it to PPS Transportation at 716 NE Marine Dr. Portland, OR 97211. Please remember to keep your half of the sheet for your record.

This form needs to be completed by the student's parent or guardian not by the student. The lower half of this sheet needs to be torn away and left with the Parent/Guardian as a record of this decision. Please duplicate the information and signatures on the back side of this form so the District Operations Group may document and implement this decision.

If you have questions regarding this or other aspects of your transportation service please contact us at 503-916-6901 or email at Transportation@pps.net.
