

Site Council - 2/20/24

Melinda, Jon, Mollie, Brian, JH

Staff: Mr Pollock, Ms. Reddick, Ms. Giel

Goal 1 - OISED indicators

4.5 - multi-tiered systems of support

1.3 - structures & routines

(survey - May)

2.1 - Staff growth

3.2 - Communication systems

- calendar of events - who updates them?

- effective communication blasts

- champions updates too (copy of the whiteboard)

Goals
2 & 3

1.2 - Data to plan

4.4 - Data-Informed Decisions

MAP 23-24 Data (Winter)

Reading Goal 2 - moving more kids into "on track" and Goal 2 is closer to being met

- Kids of color - meeting goals

Math - Goal 3

~~on track to possibly meet~~ - on track to possibly meet
- Kids of color - still @ 65%, short of goal of 70%

- support team and community efforts have shown to help, but can we provide more?

- Kids who struggle on tests could get boost from "whole-child" learning

→ privilege to have kids testing well & good, consistent, staffing.

- can we shift some focus from academic success (as long as metrics maintain)
- socio-economic factors affect standardized scores
 - broader experience for kids from higher socio-economic strata
 - supplement academic w/ more variety in learning

Staffing 24-25

~~Art & Music~~ Needs

SSS / Tech - - .15 FTE

PE .2 Art .2

Counselor . .5

- Pathway schools - have both visual & performing arts

- Rieke is not pathway, was slated 2 years ago but funding has run out

- SSS - District funding other schools as an "interventionist" but SSS is doing this

* Don't get messaging for Foundation about specifics on staffing impacts *

Potpourri/parking lot

- mascot - Red Tail Hawks to replace rockets?
- school colors

Next mtg:

- back to Goal 1 reform
- update mission statement
- staffing
- funding updates (legislative)
