

SEIZE A WORLD OF OPPORTUNITY **WITH CARPE MUNDI**

SCHOLARSHIP.

Carpe Mundi is for Pell Grant-eligible Portland college students. We partner with several study-abroad organizations and Portland State University to make studying abroad as affordable and accessible as possible.

MENTORSHIP

Carpe Mundi staff provide a holistic support network to students before and after travel: navigating academic and travel logistics, applying for scholarships, learning academic success tactics and feeling emotionally supported.

TRAVEL

Carpe Mundi students spend 2-3 months on a journey through one of our two program partners. Live with the locals, learn another language, serve the community, develop leadership and get to know more about you!
