MESSAGE FROM THE PRINCIPAL

Dear Glencoe Community,

We are in the home stretch with only one week between us and Spring Break. It is hard to believe that before we know it, it will be April and we will be headed into our final Quarter of the 2024-2025 school year.

This time of year means we are beginning to look ahead and plan for next year. This week "staffing" for Glencoe was due - meaning that we got our allotted FTE based on the District budget, and how it would be used. The blurb below outlines the changes that will take place at Glencoe based on the staffing we were given. All affected employees have given me permission to share this information with the community. Any loss is felt deeply from a personal standpoint,

and raises questions about lack of resources. I want to reassure you that your students' academic, intellectual, and social emotional safety, growth, and development will remain at the forefront of our priorities and the center of our decision-making. As gulls, we will face these changes with caring, collaboration, and perseverance.

I hope you all have a restful weekend, and I look forward to welcoming you back to school on Monday.

In appreciation,
Katie

Staffing Update

Despite the number of FTE lost for next year, any loss is a hit to our community and we will miss what our colleagues bring to our school and our students' daily lives.

Here are the changes to next year's staffing and which staff members are affected by the cuts:

- We will go from three sections of 2nd grade to two. Sadly, we will lose Mrs. Murphy, who has become a beloved teacher amongst students, families, and staff over the two years she has been at Glencoe. Thank you for the growth you have fostered in your students not only academically, but in every aspect!

This means that in the 2025-2026 school year, Glencoe will have two Kinder classes, two first grades, two second grades, three third grade sections, and two each in fourth and fifth for a total of 13 homeroom classes.

- We did not receive any equity FTE this year due to our school demographics, which means that I am unable to fund Ms. Madi as our part-time counselor. This is a huge loss not only to every student, but especially those involved in GSA. Ms. Madi has created a culture of inclusivity, belonging and allyship amongst 4th and 5th graders and beyond. Thank you, Ms. Madi, for the passion and love you bring into your work!

Our counseling staff is funded by the district at 1.0 FTE total for the number of students we have.

- Our Academic Interventionist position has been cut from full-time to half-time. Luckily, we will get to have Ms. Chris continue to work with students in need of academic support. Due to the reduction in time, she will prioritize working with students in need of reading intervention. We are thankful that we get to keep Ms. Chris at Glencoe in any capacity!
- After 20 years at Glencoe, Mrs. S will be moving to a different building as 1:1 student paraeducator support. Though she was assigned to work with one student at Glencoe, all students can share stories and wonderful memories they have of their interactions and relationship with her. Many of our staff members can't remember a Glencoe without her, and we will all miss her friendly demeanor and the way she connects with students and colleagues alike.

Despite the changes in our staffing and the adults we have in the building, please know that our commitment remains to educating your children and ensuring their safety and growth. We will do our best with the resources we have to continue programming at the same level and to offer the

best to our students on a daily basis, making Glencoe a place they feel they belong and where they want to be.

Lockdown Drill

We will have our last Lockdown Drill of the year on **Thursday, March 20 around 8:30 AM**. Lockdown Drills can be difficult or upsetting for students if they don't know what to expect. In the fall our counselors presented our safety drill curriculum to students in Kindergarten - 2nd grades. Teachers are aware of the date and let students know to give them a heads up that it is not a real emergency, just practice. If you would like to talk more about what the drill entails with your student(s) at home, [here](#) is an article to help guide that conversation.

Single-Subject Acceleration in Math (SSA-M)

The application window is open for families who wish to apply for Single Subject Acceleration for Math through the District TAG office. It is only open this month, and the assessment needed for acceptance will be given next month. This is a District TAG office process and approval decision, and we here at Glencoe are unable to help once the deadline passes. Please be sure to check out the requirements on the [TAG website](#) before applying.

Added School Days

Due to the inclement weather days we had on February 13 and 14, **the last day of school has been adjusted to two days later to Thursday, June 12.**

PTA NEWS

Volunteer Opportunities @ Glencoe

Volunteers are vital to strengthening our school community. How can you help?

- **Safety Patrol:** Our 5th grade safety patrollers need our help in the coming months. *Thank you so much to everyone who has already signed up to help with Safety Patrol.* A generous group of folks have covered the majority of the shifts for the year so far. We need some fresh energy to help us finish the year strong. Please consider filling a shift for one or more months now if you are able. [Sign up here.](#)

Popcorn Friday – TODAY!

Join us for Popcorn after school! We also want to give a HUGE shoutout to everyone coming together for the library last month! We raised over \$500 for library improvements– yay!! Thank you everyone! If you would like to give a donation toward the PTA for all of our great Spring events, you can do so [HERE](#). We couldn't do any of it without our wonderful community!

(Un)Talent Show – Thursday March 20 at 6pm!

Not sure if you've heard or not, but Glencoe has some TALENTED kiddos! Let's cheer 'em on next Thursday at 6pm.

Parents Night Out- TONIGHT!

The 8th Grade Japanese immersion class at Mt Tabor Middle School class is organizing a Parent's Night Out, and they'd like to invite Glencoe Elementary Families. This is a fundraiser to support the 8th grade Japanese immersion class trip to Japan, but in essence, is a low cost babysitting opportunity for Glencoe caregivers to have a night out while adults and 8th graders entertain and care for their children. Register your kiddos [HERE](#).

Buy Nothing Live HUGE SUCCESS!

Thank you to everyone who took part in our big community sharing event! People walked away with great new-to-them items, a little less sitting around in their homes, and we had plenty left to donate to the PPS Clothing Center, Mother & Child Education Center, and Goodwill. Yay for less consumerism and more gift economy!

LOST AND FOUND - SMALL ITEMS

I have an overflowing collection of small lost and found items such as jewelry, small toys, keys, glasses, watches, etc. at my desk in the office. If your child is missing something, please check in with me (Chris Anderson.) I may just have it in my collection!

LATINE STUDENT UNION & MULTIRACIAL STUDENT UNION (4TH & 5TH GRDS)

This week 4th and 4th graders learned about two new racial affinity groups starting at Glencoe: The Multiracial Student Union (MRSU) and the Latine Student Union (LSU). These student groups are open to any 4th or 5th grader that identifies as Biracial/Multiracial and/or Hispanic/Latino. The MRSU will take place on Fridays during lunch. The LSU will occur on Tuesdays during lunch (beginning March 4). Student racial affinity groups can offer a safe space for students to explore and celebrate their racial identities and also increase their sense of belonging. As one 4th grader shared, "Affinity groups can let students know they are not alone."

Facilitated by Holly Wilson (Latina and Biracial), Instructional Coach at Glencoe. Questions? Please email Holly at hwilson@pps.net.

STUDENT EXCHANGE PROGRAM

Exchange students around the world have already been accepted for the 2025-2026 school year, and are anxiously waiting to see their American dream come true. Whether your family loves sports or arts, is always on the move or enjoys quiet time at home, we know there is an exchange student that will fit right into your life, home, and heart. IMPORTANT HEALTH AND SAFETY REMINDERS FOR WINTER AT PPS

At Portland Public Schools (PPS), the well-being of our students and staff are always our top priority. During the winter months, we often see an increase in illness, and we want to remind you of how we manage illness and work to prevent the spread of contagious diseases to keep everyone safe and healthy. Please see this [PPS Health/Safety Info](#) for current health/safety protocols.
