#### MESSAGE FROM THE PRINCIPAL

Dear Glencoe Community,

That was a Storybook Parade for the history books! On my drive into work Wednesday morning I was so happy that the weather cooperated, but had no idea how absolutely perfect it would be for our walk. A big thank you to all the parents who volunteered to help, all the parents, families and community members who cheered us on, and a huge thank you to the Mt. Tabor Middle School Band for leading us! Mr. Soto and his students will be back at Glencoe on Thursday, May 29 to play during the Centennial Celebration!

A giant THANK YOU to the parents that made STEAM night a great success! It was fun, engaging, and very well attended. Our big Glentennial party is coming up next week! It's hard to believe that it's almost here. I can't wait to celebrate the 100th school year in our building with you all! This has been a labor of love, and it wouldn't have happened without your participation in donating to the Rainbow Run, and the support of parents and staff who worked on making connections, securing donations, and helping us plan. I appreciate this community so much, and we deserve a celebration!

I am requesting parent support to help make sure students are safely navigating the building and following our regular school expectations in the hallways and other spaces during our Glentennial event. We anticipate many more in attendance that evening, including babies and

children of all ages, as well as alumni and other community members of varying abilities. Please remind your children to observe school expectations during the event to keep everybody safe.

I hope you all have a wonderful three-day Memorial Day weekend! I will see you all back at school on Tuesday, May 27.

Enjoy,  
Katie

### **PGE Line Work**

PGE has scheduled line work on 51st & Belmont for May 27 & 28 from 8:30am - 2:00pm. This will impact traffic on Belmont Street with long delays. This will also impact our one-way street (51st) out to Belmont from the parking lot and school.

### **Kindergarten Registration**

If you are a current Glencoe family with an incoming Kindergartner for the 2025-2026 school year, please remember that you will need to enroll your new student. We are beginning to think about class lists and planning for next year, and having more accurate numbers helps with this.

**Please register your incoming student as soon as possible.**

### **GLENCOE IS 100!**

Please join us for the Glencoe Centennial Celebration event on May 29th from 5:30pm to 8:00pm. We will have live music, food, face painting, balloon art, a Glencoe museum, baby goats, and MORE! We look forward to celebrating this milestone with our Glencoe Community, past, present & future!

### **Raffle Contributors**

During the Centennial Celebration we will have dozens of items to raffle off thanks to our PTA members and other parent volunteers! Here is a list of our community contributors. A HUGE thank you to them and their generosity so we can give away these awesome items!

**Thank you to our other sponsors:** The Final Nail Salon, parent & family donations of goods and services, parent donation of Nike Golf gear, etc.....

## Volunteer Opportunities @ Glencoe

- **THANK YOU** to everyone who has stepped up to help with events, fundraisers, attended our PTA Meetings, and has helped us finish this year strong. There has been so much going on lately, and we think our kiddos and Glencoe staff/teachers are really feeling the love and support. What better way to build up our community and all of our well being than by giving what we can. We are grateful for each of you!

## Walk+Roll Month Wraps Friday Morning

Get your raffle tickets, and hold onto them! Look for information about prizes and winners on Tuesday (in backpacks and on Konstella), and we'll have prizes available for pickup at the Centennial Celebration on the 29th. If you need any help (repairs, up-sizing, etc) with your bike, or your kids bike, so you're ready for summer riding, please email [glencoebikebus@gmail.com](mailto:glencoebikebus@gmail.com).

## STEAM Night – Thank You!

STEAM Night was a smashing success last night! Thank you to everyone for helping our kids gain such memorable and exciting experiences with STEAM subjects. Also, here's to the amazing **Leah Plack** for putting the event together, along with our awesome Sponsors – **The Hangout, Beehive NW, Coding with Kids, Portland Metro STEM Partnership, Hazelwood Clay Studio, and Experiment.**

## Double Restaurant Partnership Night – June 5th!

We'll have TWO restaurant fundraisers happening on June 5th! Grades K-4 are welcome at Pastini on Division and 5th graders will have a special social at Oak Flat Winery on Belmont. Be sure to check out the flyers below for more details on each event.

## ARCHITECTURE FOUNDATION OF OREGON SUMMER CAMP

We are preparing for our 5<sup>th</sup> annual **Architects in Schools Summer Camp** that will be held **virtually June 23<sup>rd</sup>, 2025 through June 27<sup>th</sup>, 2025**. We would be thrilled to have you join us for this engaging camp!

There are several great camps for Oregon students to explore design this summer (including our Architects in Schools Camp, NOMA PDX's Project Pipeline, ELSO's Wayfinders and more) and we have compiled those opportunities into our **2025 Summer Camp Catalog** (for students K-College). Registration deadlines are approaching soon.

**This year's theme is Our Future Together: City Design Adventure.** During this camp, students will learn about what contributes to a thriving community, and how empathy and inclusion can lead our design when building a city of the future. They will take on the role of a design and building professional to plan and design their future city with their community, resiliency, and sustainability in mind. By implementing the design process, students will be empowered to lend their voices to create a better future for all! Students will be introduced to technical architecture practices such as drawing, planning, model making, and more.

**How it works:** The camp is entirely virtual – meaning students can participate from home. To engage in the camp, participants will need a computer, tablet, or other device with access to the internet.

Every day, we will email you the digital lesson including hands-on design activities, reading, thinking exercises, and pre-recorded videos. There will also be a live Zoom session every day from 12:30-1:30pm PT. The live sessions are optional but highly recommended so students can meet practicing architects and designers and fully experience the camp content.

**Cost:** We recommend a participation fee of \$25/child. Please choose your payment tier based on your financial resources. **No family will be turned away due to inability to pay.**
